

# HackFSU Organizer Disclosure Agreement

I, the volunteer, agree to all of the following in relation to my participation in running the event (HackFSU).

1. I agree to NEVER copy, share, use, or save any of the information given to HackFSU by participants, sponsors, judges or any other involved individuals.
2. All data will be handled in the manner dictated by the co-directors of the event.
3. All data, regardless of perceived value, is to be treated with the utmost responsibility as it has been given in good faith by its owners.

Violation of the above tenants will result in immediate expulsion from HackFSU, ineligibility to participate in any future HackFSU events, and even an inability to participate in other hackathons.
